OUR PRODUCT

Shallots

"Experience the bold and rich flavor of West Sumatera shallots– a true taste of Indonesia's vibrant culinary heritage. Grown in the fertile soils of West Sumatera, these onions add a unique, aromatic kick to any dish, elevating your cooking with every bite. Bring home the essence of West Sumatera and savor the difference!"

Cinnamon

"Unlock the warm, aromatic spice of West Sumatera cinnamon – a premium, hand-harvested treasure from Indonesia's heartland. Known for its rich flavor and superior quality, this cinnamon brings an authentic, exquisite touch to your cooking, baking, and beverages. Elevate your culinary creations with the true essence of West Sumatera!"

Gambier

West Sumatra Gambier – a world-class natural extract from Indonesia's renowned highlands. Rich in quality, tradition, and sustainability, this premium product offers exceptional value for pharmaceutical, cosmetic, and industrial applications worldwide.

Vanilla

Indonesian Vanilla – a premium tropical spice celebrated for its rich aroma, smooth sweetness, and exceptional quality. Sustainably cultivated and expertly cured, it brings authentic flavor and value to global culinary and industrial applications.

OUR PRODUCT

Shallots

Unlock the authentic flavor of Indonesia with West Sumatra Shallots – a premium agricultural product cultivated in the fertile volcanic highlands of West Sumatra. Renowned for their rich aroma, vibrant reddish-purple color, and naturally balanced sweetness, these shallots are a preferred choice for culinary professionals and food industries around the world.

Grown with care by skilled farmers and harvested at optimum maturity, West Sumatra Shallots deliver exceptional freshness, consistent quality, and outstanding flavor enhancement. Their versatility makes them ideal for seasoning blends, sauces, fried shallots, processed foods, and a wide range of traditional and modern cuisines.

More than just an ingredient, West Sumatra Shallots represent the rich agricultural heritage and sustainable farming traditions of Indonesia. From farm to table, every bulb reflects a commitment to quality, authenticity, and excellence.

Elevate your products and culinary creations with the distinctive taste of West Sumatra Shallots – where nature's richness meets world-class quality.

OUR PRODUCT

Cinnamon

Discover the exceptional quality of West Sumatra Cinnamon, one of the world's most sought-after spices. Grown in the lush highlands and fertile volcanic soils of West Sumatra, Indonesia, this premium cinnamon is renowned for its rich aroma, warm sweetness, and high essential oil content.

Carefully cultivated and hand-harvested by local farmers, West Sumatra Cinnamon offers a distinctive flavor profile that enhances a wide range of culinary applications, from baked goods and confectionery to beverages, seasonings, and gourmet cuisine. Its natural fragrance and superior quality also make it a valuable ingredient in the food, pharmaceutical, and cosmetic industries.

With a long-standing reputation in global markets, West Sumatra Cinnamon represents the perfect combination of authenticity, sustainability, and excellence. Every harvest reflects generations of farming expertise and a commitment to delivering premium spices that meet international standards.

Bring the true essence of Indonesia's spice heritage to your products with West Sumatra Cinnamon – a timeless treasure of flavor, aroma, and quality.

OUR PRODUCT

Gambier

Discover the natural excellence of West Sumatra Gambier, one of Indonesia's most valuable agricultural commodities. Derived from carefully selected gambier leaves cultivated in the fertile landscapes of West Sumatra, this premium natural extract is renowned for its high catechin content, exceptional purity, and versatile industrial applications.

Produced through generations of traditional expertise and supported by sustainable farming practices, West Sumatra Gambier is widely utilized in the pharmaceutical, cosmetic, food, textile, and leather industries. Its natural antioxidant properties and superior quality make it a trusted ingredient for manufacturers seeking reliable and environmentally friendly raw materials.

As one of the world's leading sources of gambier, West Sumatra has earned a strong reputation in international markets for producing consistent, high-quality products that meet global standards. Every harvest reflects the region's rich agricultural heritage, commitment to sustainability, and dedication to excellence.

Choose West Sumatra Gambier – a premium natural extract that combines purity, performance, and the authentic value of Indonesia's agricultural legacy.

OUR PRODUCT

Vanilla

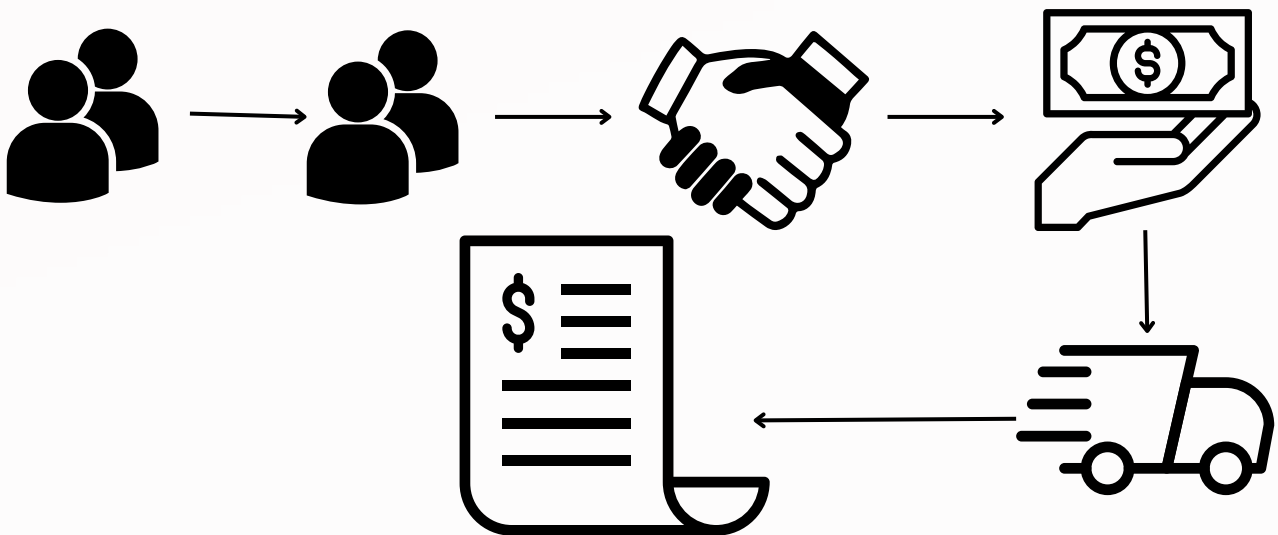

Indonesian Vanilla embodies the richness of the tropics and the artistry of traditional cultivation. Grown in Indonesia's fertile landscapes and nurtured under ideal climatic conditions, each vanilla bean develops a deep, captivating aroma and a remarkably complex flavor profile.

Carefully hand-pollinated and naturally cured, Indonesian Vanilla is cherished by chefs, food artisans, and manufacturers for its smooth, creamy notes and distinctive character. Its versatility makes it an indispensable ingredient in gourmet desserts, fine beverages, confectionery, dairy products, fragrances, and natural flavor formulations.

More than a spice, Indonesian Vanilla represents a legacy of craftsmanship, sustainability, and agricultural excellence. Every bean tells a story of dedication, transforming nature's finest ingredients into an experience of authentic flavor and aroma. Elevate your creations with Indonesian Vanilla — where tropical abundance meets timeless sophistication.

WORKFLOW

Primal Earth Export is committed to providing quality products that meet buyer needs.
